Dear Members,

RE : CAREER TALK AND EXPO

This year the Society has organized Career Talk at various universities explaining the job opportunities to graduates in Accountancy. Apart from the Career Talk, we have arranged a Career Expo for our members firm to set up their own Recruitment Booth to recruit the fresh graduates as well as students looking for summer job. The objectives are to assist member firms to recruit suitable candidates in advance and to offer an opportunity to the graduating students to learn more about the opportunities and challenges associated with working for medium and smaller firms.

Your firm(s) is/are invited to join the Career Expo by sending at least one representative to meet the students at the venue. Each firm will be allocated a desk at no cost for the Expo. You are encouraged to bring along literature and brochures about your firm(s) and job application forms which will help in the recruitment exercise.
