Cloud-Powered Efficiency: Transforming SME Financial Reporting in Hong Kong

Speaker: Mr. Andrew Yung

Cloud-Powered Efficiency: Transforming SME Financial Reporting in Hong Kong (9 July 2024)

Highlights: 重點:

Join Andrew Yung at this forum for an insightful exploration into the transformative power of cloud accounting platforms and simple technologies. Discover how these tools can revolutionize SME FRS financial reporting processes by automating audit report creation through cloud report templates. Andrew will dive into the critical importance of process optimization, especially in today's challenging hiring landscape within the accounting industry.

This session is tailor-made for small and medium practices, as well as local CPAs in Hong Kong, seeking practical, innovative solutions to enhance efficiency and quality in their operations. Whether you're looking to streamline your financial reporting process, navigate the complexities of audit work, or simply interested in the latest in cloud accounting, Andrew's talk will provide valuable insights and strategies that are both simple to understand and apply. Don't miss this opportunity to learn from one of the industry's leading voices on making a tangible difference in the world of accounting through technology.

Speaker(s): 講者:

Mr. Andrew Yung
FCPA (HKICPA), CPA (Aust.)
Director of I.T. Services, APEC Group

Andrew Yung, FCPA, CPA, serves as the Director of IT Services at APEC Group, steering digital transformation strategies across the Greater Bay Area and Asia. His career transitioned from auditing to impactful roles in HSBC's Equity Trading Operation and Fund Administration, demonstrating a keen ability to optimize processes. Andrew's commitment to the accounting profession extended through leading roles at CPA Australia and at Xero, where he excelled in facilitating cloud implementations and enhancing report processes for accounting practices.
