How Accountants Can Maximize Client Value Using Offshore Structures

Speaker: Mr. Vincent Chan

8 May 2025 (Thursday)

How Accountants Can Maximize Client Value Using Offshore Structures (Course Code 課程編號: 1525)

Highlights: 課程重點:

1. Offshore Structures: IPOs, M&A, and Private Holdings

Explore how offshore structures can be used for IPOs, mergers & acquisitions, and holding private assets. Learn about the tax implications and asset protection benefits of different jurisdictions and tools. We'll cover practical set-up considerations and ongoing compliance requirements.

2. Acquisitions, Reorganizations, and Privatizations

Understand the key aspects of acquisitions, corporate restructuring, and taking companies private, including the scheme of arrangement, offer and compulsory acquisition and merger. Learn about the due diligence methods of different transaction structures. We'll examine real-world examples to illustrate key concepts.

3. BVI Companies Act Updates

Stay up to date on the latest changes to the BVI Companies Act. Learn how these amendments impact compliance requirements for BVI-registered entities. We'll provide practical guidance to help you navigate these changes.

Light refreshments will be available for those attending in person.
