Comprehensive Consideration of Owner-occupied Properties, Investment Property, Non-current Asset Held for Sale and Their Deferred Tax Impact

(Course Code 課程編號: 2021)

Highlights: 課程重點:

Properties often make up of a major part of the total assets of many companies. Accounting treatment of properties can be complex when there are changes to their usages and fair value. It is further complicated by the consideration of deferred tax. In this webinar, we will review the accounting treatment of:

- a. Deferred tax impact on revalued properties and investment properties.
- b. Reclassification of property, plant and equipment to and from investment properties.
- c. Reclassification to and from non-current assets held for sale.
