## Business Valuation for Private Companies

Mr. Wiley Pun

### Business Valuation for Private Companies (Course Code 課程編號: 3421)

**Highlights:****課程重點:**

Accountants in practice or in business often face the question of business valuation when it comes to financial reporting or transaction involving valuation of shares in privately held companies. While there are business valuers available as specialist to assist in the determination of valuation, it is beneficial for accountants to gain knowledge in this area to better comprehend and evaluate the business valuer's work. This seminar will introduce commonly adopted business valuation methodologies and terminologies with illustration of numerical and real life examples of valuation report published by valuer acting for publicly listed entities.
