The Society of Chinese Accountants & Auditors invites you to join us in supporting Rotary Club of Hong Kong Harbour "Island Scout Trail Walk 2017" on 19 March 2017.

By combining FOOD and SPORT, the Organizer encourages the community to participate in sports/activities programs which, at the same time, raise food for the needed ones to develop a healthy and sustainable society.

In collaboration of Social Enterprise partners for holding events and programmes, where licensed dietitian will calculate the total calories burnt from participants and convert it into food units. The corresponding amount of food will then be donated to local charities and under-privileged groups in Hong Kong.
